The Word  
of God  
is Living  
and Active

*The word of God is living and effective. (Hebrews 4:12)*

God speaks to us in many ways: through His creation ("the heavens are telling the glory of God!"); through the big and small events of our lives; in our relationships; through our Catholic Tradition, handed down to us through the ages; through preaching and the wisdom of the saints. Most especially we cherish the word of God we hear in Sacred Scripture.

The Bible can be very confusing. Written long ago by people who led lives that were very different from ours, we find in Scripture ways of talking about God, or the world, that can be obscure and even off-putting. But as old and foreign sounding as the letter of

Scripture may be, it is nevertheless "living and effective" because it is the word of the living God breathed forth by the Holy Spirit, "ever ancient, ever new." Through Scripture we come to know a God who created us for glory, who challenges us to grow into His likeness through His grace, who has sent His Son and His Spirit so that we can be the salt of the earth and the light of the world, heralds of the Good News of God's salvation.

Some of you may want to learn more about how God's word can be living and effective in your life, but don't know where to begin. One great resource is the podcast by Fr. Mike Schmitz called "The Bible in a Year." Father Schmitz provides a reliable, relatable, and engaging walk through the entire Bible for those who want to bring the word of God more fully into their lives. The podcast is available on all the usual platforms. (You might also like his "The Catechism in a Year" podcast.)

This week consider the role of Scripture in your life right now, and ask the Holy Spirit to guide you to a deeper engagement with God's word so that it can be living and effective in your life.

### Congratulations, Magdalena Renee!

Magdalena Renee, daughter of Samantha and Dan Gehring, was baptized here at Holy Family last Saturday evening. She looked great in her white christening gown, the same gown her mom was baptized in. Let's all welcome our sister in Christ, Magdalena, to the household of God. Alleluia!

### World Mission Sunday

Next Sunday, October 20, is World Mission Sunday. This year's theme is "Go and invite everyone to the banquet."

There will be a second collection to support the the Pontifical Mission Societies. Our contributions help build and sustain communities of faith in places where the Church is still growing or facing persecution. This mission is a testament to our faith in action, reflecting the universal call to share Christ's love. Please consider supporting our global Church family.

### Family Listening Sessions

Our Catholic faith teaches that the home is the first school of Christian life and that the family is the "domestic Church." We want to know how we can support families as they strive to learn, live, and pass on the faith. Join us for a listening session and share your thoughts and ideas. We will have one session on Wednesday, October 23, from 6:30 to 7:30 and another on

Tuesday, October 29, from 7:00 to 8:00. Please put one of these dates on your busy calendar and help us help you!

# Holy Family

We had a great parish festival this year! The weather was beautiful, the food and games were terrific, and everyone was having a good time. The people of Holy Family Parish did themselves proud. The group effort in support of the parish was evident not just throughout the day, but in the days and weeks leading up to the festival.

Many, many thanks to everyone who helped make the festival so enjoyable. As Saint Paul said, "God loves a cheerful giver." That means all the turtle soup cooks, the volunteers for the booths, the cooks and chicken fryers, the servers, the set-up and tear-down crews, the local law enforcement, and the traffic directors. And we cannot forget the many generous souls who donated for the baskets, raffles, and silent auction, as well as food, produce, baked goods, and crafts.

May God shower all of you – and all the people who joined us for the day – with abundant blessings of health, happiness, and peace.

- Fr. John

## Respect Life Month - October

Each October the Church in United States celebrates Respect Life Month. As Catholics, we are called to cherish, defend and protect those who are most vulnerable, from the beginning of life to its end, and at every point in between. During the month of October, the Church asks us to reflect more deeply on the dignity of every human life.

### Pope Francis addresses the wounds of drugs on society.....

"Clearly there is no single cause of drug addiction. Rather, there are many factors that contribute to it, among which are the absence of a family, social pressures, the propaganda of drug dealers, and the desire for new experiences. Every drug addict has a unique personal story and must be listened to, understood, loved, and, insofar as possible, healed and purified. We cannot stoop to the injustice of categorizing drug addicts as if they were mere objects or broken machines; each person must be valued and appreciated in his or her dignity in order to enable them to be healed.

The dignity of the person is what we are called to seek out. They continue to possess, more than ever, a dignity as children of God."

### A PRAYER FOR LIFE to Jesus in the Blessed Sacrament

O Jesus, you came that we might have *life*-and have it in abundance. Together with the Father and the Holy Spirit, you form us in our mothers' wombs and call us to love you for all eternity.

AS your most precious gift of human life is attacked, draw us ever closer to your Real Presence in the Eucharist. Dispel the darkness of the culture of death, for you are the light that shines in the darkness, and the darkness cannot overcome it.

BY the power of your Eucharistic Presence, help us to defend the life of every human person at every stage. Transform our hearts to protect and cherish all whose lives are most vulnerable.

FOR you are God, forever and ever. - AMEN

## FORMED PICK OF THE WEEK

**MYSTERIES OF THE ROSARY** The Mysteries of the Rosary is a four-part film series. St. Padre Pio said, "The Rosary is the 'weapon' for these times", and Hartfiel took that to heart, ultimately becoming convicted to pray the ancient prayers of the Rosary daily. It was through his daily Rosary that the idea came to him to create and film a series that takes viewers right to the Holy Land, right where these Mysteries actually happened.
