Help a Family During their Miscarriage

When a family finds out they are having a miscarriage, they should not have to also worry about having an appropriate burial vessel for when the miscarriage happens.

Covenant Resources assembles

miscarriage totes for facilities (hospitals, doctor offices, funeral homes, pregnancy resource centers) that allow a woman to go into that facility and leave with the supplies she needs without waiting for them to arrive in the mail. Covenant Resources does not charge to assemble the totes and does not make any profit. However, there are \$150 worth of supplies in each tote which will help multiple families. Many facilities want the totes, but it is often daunting for them to acquire funding to purchase them. Please consider purchasing a tote (or part of a tote) that can be given to a facility near you. Purchases can be made at www.covenantresources.org/ways-to-help or checks can be sent to Covenant Resources LLC, 1120 W. Washington Street, Greensburg, IN 47240. Questions? Email contactus@covenantresources.org. Although we do not make a profit, we are not a registered non-profit for tax purposes.

Thank you for your generosity! God bless you!

BAPTISM: If you are preparing to have your child baptized or need to receive a Baptismal Certificate, please contact Beth Geis. **If this is your first child**, you will need to schedule a Baptism Class with Beth Geis. If this is not your first child & have attended a class already, we will need proof.

Natural Family Planning

The special vocation of marriage you have chosen gives you the privilege and responsibility of becoming parents and being generous in accepting new life from God. Therefore, we need to take time to learn what God in His wisdom has provided a method of family planning that is moral and 98% effective. **A Natural Family Planning class will be held Sun., March 5th, from 9a.m. to 12 Noon in Batesville.** This class is taught in one session. The Sympto-Thermal method is 98% effective, natural, and safe. There is a \$40.00 fee for books and materials. **For reservations call or text Aly (812)212-4951 or Michael (812)212-2719.**

BATESVILLE PREGNANCY HOTLINE **Did You Know?** At 6 weeks a preborn baby is NOT just a clump of cells. According to Dr. Tara Sander Lee, senior fellow and director of life sciences at the nonprofit

Charlotte Lozier Institute, "A preborn baby's heart is actively beating at 6 weeks and will have already beat nearly 16 million times by 15 weeks. In fact, at 6 weeks' gestation, the baby's heart rate is about 110 beats per minute, which can be easily detected by ultrasound." Batesville has a pregnancy hotline whose mission is to help mothers in difficult situations. If you need help or know a mother needing help, please call 812-934-5116, go to www.batesvillecph.org, or search for Batesville Pregnancy Hotline on Facebook. The hotline can also be reached through Facebook Messenger.
